Mr. Santos Kreimann, Director.
Attention: Design Control Board

Dear Mr. Kreimann,

This submittal is for one (1) double faced freestanding internally illuminated identification sign; one (1) single faced illuminated entryway sign and three (3) halo illuminated wall signs. The signs will identify the new Hilton Garden Inn located at 4200 Admiralty Way Marina del Rey.

One (1) new 4'-0" tall by 11'-0" wide wall sign consisting of halo illuminated reverse pan letters with polished stainless steel faces mounted to a fabricated aluminum background painted to match the exterior wall where it will be mounted. This sign is proposed to be installed at the corner of Palawan Way and Washington Bl.

One (1) new 2'-8 3/4" tall by 6'-0" wide double faced internally illuminated freestanding monument sign is being proposed to be installed at the corner of Washington Bl. and the alley adjacent to the hotel. The sign will be fabricated from aluminum with pushed thru acrylic letters. The exterior of the sign will have a wood finish.

One (1) set of halo illuminated reverse pan letters with polished stainless steel faces is being proposed to be installed on the wall adjacent to the alley and Admiralty Way. The letters will have an overall height of 4'-3" and an overall width of 18'-0"

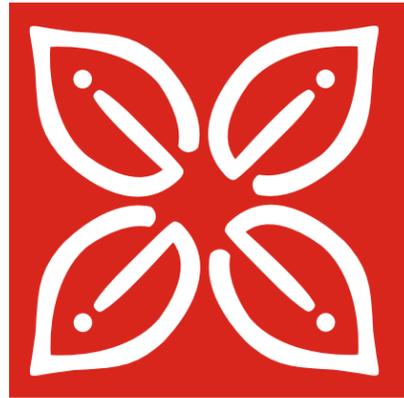

One (1) single face illuminated 4'-6" tall by 8'-0" glass sign with a stainless steel base and frame is being proposed to be installed in front of the main entry to the hotel. This proposed sign will have an overall height of 4' - 6" and will have polished stainless steel letters.

One (1) set of halo illuminated reverse pan letters with polished stainless steel faces is being proposed for the curved stucco wall at the corner of Palawan Way and Admiralty Way. The letters will have an overall height of 3'-8 3/4" and an overall width of 15'-9 3/4"

The total cost for the proposed signs is \$40,000. All of the proposed signs will be illuminated from dusk to dawn. Thank you very much for your consideration. Sign shop drawings with exact specifications have been provided for your review and approval.

Regards,

Kevin Berry
